Calling all artists

Embracing Our Differences announced in a release March 29 that it now invites artists and writers to submit art and inspirational statements for the 17th annual outdoor art exhibit celebrating diversity. Work from 50 artists, poets and writers will be selected for the exhibit, which opens Jan. 18, 2020, in Bayfront Park. Works should “enrich lives through diversity,” demonstrate artistic excellence and offer an original take on the theme. Selections will be made by a panel of professional artists, curators and arts educators, who will also evaluate the artwork on how effectively it will read when enlarged to the exhibit’s billboard-size dimensions of 16 x 12.5 feet. Quotations must be 20 words or less. There is no submission fee or limit on the number of entries. Submissions must be submitted online or received no later than Oct. 8.
