For 20 years, Embracing Our Differences has drawn on the passion and perception of artists, students, writers and others to create powerful statements of diversity, respect, kindness and acceptance in its annual outdoor public art exhibition consisting of 50 billboard-sized works of art and accompanying quotes. The exhibit is the heart of a year-round program of activities designed to use art as a catalyst to create awareness and promote diversity.

Sarah Wertheimer, EOD's executive director, explains that monumental positive change and forward movement has happened in 20 years.
