Embracing Our Differences is pleased to announce the return of “Embracing Kindness,” its collaborative exhibition with Sarasota Art Museum of Ringling College of Art and Design. Now in its second consecutive year, this year’s exhibition runs through December 18 on the Museum’s great lawn, parallel to the Tamiami Trail. It features 14 enlarged images of original artwork created by students under the mentorship of renowned Sarasota artist and educator Jeffery Cornwell. Spanning more than two decades, these selected works celebrate the transformative power of kindness and respect, as expressed by young artists from Booker High School’s Visual and Performing Arts program, as well as NewGate School, who participated in Cornwell’s visionary art programs. Admission to the “Embracing Kindness” exhibition is free during Museum hours and can be accessed through the Museum’s lobby, leading to the great lawn.
