

Embracing Our Differences Invites Submissions for its 2026 Outdoor Exhibitions

SRQ DAILY THURSDAY FAMILY AND RECREATION EDITION

THURSDAY MAY 22, 2025 |

What does kindness look like? What does respect sound like? For more than two decades, Embracing Our Differences has invited people of all ages and backgrounds to explore these questions through art and words—and the results have moved millions. The organization is now accepting submissions for its 2026 international outdoor exhibitions, returning to both Sarasota and St. Petersburg. This juried exhibition features 50 billboard-sized works of art, each paired with a powerful quotation. Submissions are free and open to all ages, backgrounds, and levels of experience. The deadline is July 1, 2025. Visit EmbracingOurDifferences.org for more information.
