

### **Embracing Our Differences Announces Rescheduled Celebration**

After stormy weather postponed its January grand opening, Embracing Our Differences has reimagined the celebration as "Embracing Our Community: A Celebration of Kindness." This free event takes place on Sunday, March 30, from noon to 3 p.m., at Sarasota's Bayfront Park. The celebration features three performances by the phenomenal musician, singer and songwriter, Shelby Sol. Local arts and education organizations, including ALSO Youth, CreArte Latino, EOD Coexistence Clubs, Marie Selby Botanical Gardens, Sarasota Art Museum, Suncoast Campaign for Grade-Level Reading, The Ringling, The Jewish Federation of Sarasota-Manatee, and Van Wezel will have booths featuring interactive, kid-friendly activities. The Big Blue Grilled Cheese Company, Empanada Girl and One Two Tea! trucks will be stationed at the event. EOD will also recognize Best-in-Show winners and many of the artists and quoters who had their works selected for display.
