

## **Embracing Our Differences Receives Grant From SunTrust**

BY SRQ DAILY MONDAY BUSINESS EDITION MONDAY MAR 13, 2017

The SunTrust Foundation recently awarded Embracing Our Differences a \$10,000 grant to help fund its educational outreach programs. A key component of its ongoing educational initiatives, Embracing Our Differences' annual teacher workshops and retreats provide area educators with skills, strategies and resources to provide curricula and lesson plans relating to art appreciation, character building and diversity education. Presented in partnership with regional school districts and nationally recognized educators, these programs positively impact the lives of thousands of area teachers and students every year. Embracing Our Differences is a not-for-profit organization that uses the transformational power of art and education to celebrate and promote the diversity of the human family. It accomplishes this through an annual, large-scale outdoor juried art exhibition and a comprehensive series of educational initiatives, programs and resources designed for teachers and students.
