Gulf Coast Community Foundation recently awarded **Embracing Our Differences** a \$40,000 arts appreciation grant, which offers unrestricted funding to area arts organizations in support of their artistic mission.

According to Sarah Wertheimer, Embracing Our Differences' executive director, the grant will help fund the organization's 2019 outdoor exhibition celebrating diversity, which runs from Jan. 19 through March 15 in Bayfront Park in downtown Sarasota. The grant will also be directed toward EOD's educational outreach programs and initiatives.
