My Teacher Is: 

EMBRACING OUR DIFFERENCES

Cover: The Odd Couple, Brooks Tracey, Sarasota, Florida
“I like me, but I’m glad everyone isn’t like me.”
Quote displayed at the 2018 Exhibit - Juliette Martin, Kindergarten, St. Petersburg, Florida

Talk to your partner about what Embracing Our Differences means to you. Use the space below to write what you and your partner discussed.

Words can separate and bring us together. Brainstorm a list of words that can separate us and a list of words that can bring people together.
Three very important words that are often used in *Embracing Our Differences* are **acceptance**, **inclusion**, and **understanding**. Define these words and find evidence of these words in the exhibit. Explain how the image or quotation you selected supports each definition.

**Acceptance**

**Definition**

Art creates an impact. What is the message you get when you visit the Embracing Our Differences Exhibit? Use evidence from at least 2 images and/or quotations in the exhibit to support your answers.

Your message:
________________________________________
________________________________________
________________________________________

What image or quote supports your message?
________________________________________

Evidence from your first image or quote:
________________________________________
________________________________________
________________________________________
________________________________________

What is another image or quote that supports your message?
________________________________________

Evidence from your second image or quote:
________________________________________
________________________________________
